

Academic Achievements

1. Environment Education :- Environment education allows students to explore environmental issues, they enjoy in problem solving and take action to improve the environment. Have enthusiasm for gaming outdoor experiences develop stronger environmental attitude behavior.

2. Sports achievements :- we have played for Zonal tournaments and played for district level also. All games being played along with traditional games.

3. Innovation :- We motivate them to be expert learner. Focus on building great relationships. Tell students to forget about labeling learning.

4. Overall result :- 100% result for 10th class two year continuously and in other classes 95% students showing brilliant results and skilled techniques are being adopted.

5. PTA :- Every month we are having PTA. This supports us by informing and mobilizing parents. This improves communications and promote welfare children in home, school and communities.
